For Advanced Carvers: Create a "Shadow-Lantern"
This pattern looks great with "bat shadows." For the FREE shadow pattern and instructions, see pages 2-3 of the Pumpkin DisPatch.

TIPS

1. Poke the dots. Save the pattern and refer to it while carving.
2. Drill the bat's eyes.
3. Carve the witch's eyes, teeth, and face.
4. Carve around the fingers, then around the outline.
